GOLF IS A LIFETIME GAME:

YOU'LL BE ABLE TO PLAY LONG AFTER ALL THE SCHOOL SPORTS YOU ARE NOW PLAYING. NOW IS THE TIME TO LEARN. IT WILL MAKE THE PROCESS MUCH EASIER TO GRASP THE CONCEPTS.

Besides Junior Clinics, there are memberships available for grammar school children right on through high school. Please note that there is also a college membership available as well as a Junior Associate membership available to those under the age of 35. Whatever your age or financial situation, we think you will find the Oneonta Country Club a very affordable and most enjoyable experience for all ages.

The value of this program will allow you an opportunity to be introduced to this great game or at the very least raise the level of your current ability.
